LEVENSHULME
INSPIRE

 **COMMUNITY
FUND**

Introduction

Inspire is a multi-purpose community venue based inside a former church, a thriving and well-loved centre owned by the people of Levenshulme.

All the activities, classes and events that happen at Inspire aim to benefit local people through community activity, creativity, enterprise and fun. But we also aim to draw people in from further afield to take part in our activities, and to see our fantastic neighbourhood.

We wanted to produce a community guide to help the people who use our centre particularly in the wake of the Covid 19 pandemic. The aim of this guide is to make people aware the vast and diverse array of local services and organisations in the neighborhood of Levenshulme. We want people who use our centre to feel more connected to their neighbourhood and the services that are available.

This guide was produced with funding from National lottery awards for all.
